

E-Filing Software

E-Filing software is a web-based application of CCLS system (Container and Cargo Logistics System) being operational at Inland Container Depot - Tughlakabad, New Delhi.

Through this software, any importer/exporter/shipping agent can file his documents including billing and take necessary print out's. Various Queries and Reports are also part of this web based software to keep track of containers at every stage and also to find out due amount to be paid to CONCOR. Application has also been integrated with major banks, so that customers can directly credit their PDA accounts through net banking facility.

Objective of E-Filing

The objective of this software is to provide one platform for entire import/export trade to perform online all their commercial transactions with CONCOR from anywhere. This will in turn provide the trade savings in terms of time, energy and at the same time faster clearance of containers.

Security Features

User Access and application security have been given top priority in designing the project like,

1. Only registered users are allowed to access the application.
2. All users have been provided Digital Certificate and Electronic token.
3. At application level, user-id/password authentication is being done.

Functionalities Covered

All export / import functionalities have been covered in this project like,

Imports :

1. Book Delivery of Containers
2. Filing of Request for Customs Examination Job-order
3. Generation of Gate Pass for Cargo/Container Removal

Exports :

1. Filing of CFN (Cargo Forwarding Note)
2. Export Container Booking
3. Empty / Loaded Container Arrival / Departure Permits
4. Leasing of Empty Containers between Shipping Lines

Billing :

Customer billing takes place at all the stages automatically and the amount gets debited from his pre-deposit amount being maintained in the system.

Queries / Reports:

Various Queries and Reports have been provided to keep track of containers at every stage and also to find out due amount to be paid to CONCOR.

Net Banking Module

As part of the web based E-Filing of CCLS system, Net Banking Module has been included. Through this module, any customer can credit his Pre-Deposit Account, operational in our CCLS system from any of the major banks directly. The mode of operation is very simple. The customer logs in to the system and selects one of the banks where his account is and the amount he wants to transfer. On this, concerned bank's Internet Banking site gets activated, through which debit transaction takes place and instant credit information is passed to CONCOR in a secured way.
